Todd Cowart  
Director of Human Resources  
Texas Roadhouse  
302 E. Loop 281  
Longview, TX 75605

Dear Mr. Cowart,

As I was going through job ads in the the newspaper recently, I was searching for a job that will both challenge me as an individual, as well as put me in a place doing something I love. So, when I found the ad for the position as a waitress, I knew I had found the opportunity I had been looking for.

Working in the food industry is a goal I have wanted to achieve for years. I have grown up in a food based home. For example, my dad has worked in the food industry for more than 5 years, and has now made his way to being the manager for all of east Texas and north Louisiana for a well known business by the name of Genghis Grill. I have very little work experiance, but I feel like with my babysitting experience leaves me with great responsibility. Therefore, I feel like my responsibility qualifies me for the position as a waitress.

I would very much like to speak with you about the position and to show you how much of an asset I would be to Texas roadhouse. Although I hardly ate here, because of the hours of waiting Texas roadhouse has continued to be my favorite for many years. My cell phone number is 903-748-8845 the best way to reach me is anytime after 3:30 on weekdays, and anytime of the day on weekends. Or, ir it could simplify the process I could call you. Just let me know when a convenient time would be.

Thanks, in advance, for your consideration, Mr. Cowart.

Sincerely,

Emma Loven
